**BEECH ACRES**

6881 Beechmont Avenue  
Cincinnati, Ohio 45230  
Phone: 231-6630 Fax: 624-0134

Services:

**Every Child Succeeds:** a voluntary home-visitation program for first-time mothers targeting specific zip codes in Hamilton and Clermont counties. Beech Acres Family Support Workers (FSW) begin working with the families prior to the child's birth and partner with the family up to the age of 3. The program offers parenting and child development information and assists in strengthening parenting skills. The FSW also connects the mother and family to community resources as needed.

**Group, Education & Mediation Services:** a variety of services and supports to parents, families and schools to meet the needs of children, teenagers, families, single parents, stepfamilies, and others. Community-based throughout the Greater Cincinnati area.

- Parent Groups and Presentations: a network of specialized groups that provide information, support, and resources for moms and dads experiencing the joys and challenges of raising children, including single parents, stepfamilies, parents of teens, divorcing parents, and any parents wanting to strengthen their parenting skills
- Parent and Family Consultation: face-to-face practical problem solving with a parenting expert for any family
- Mediation Services: helps families learn to resolve disputes between parents and teens; divorcing parents and stepfamilies
- Helping Children Cope with Divorce: collaboration with Hamilton and Clermont Counties' Domestic Relations Courts to give divorcing parents the tools they need to help their children work through divorce in the family
- Services for Schools: tailored to meet the needs of students and teachers. Programs on reshaping youth priorities, social skills, conflict resolution, anger management, self-esteem, communication, coping skills, and other related topics

**Therapeutic Foster and Kinship Care:** therapeutic foster homes and support services for children and adolescents in out-of-home care or who are residing with a relative.

**School & Community-Based Services:** a continuum of care for school-aged children and their families. Services are provided to meet the child's emotional, behavioral, and educational needs while building the competencies of parents and schools.

- Child & Family Therapy: counseling services for families and children with various treatment or family needs. A range of modalities that include mediation, education, support, and coaching are available for the family or individual
- Therapeutic Mentoring: provides therapeutic mentors who teach/coach or aid children and teens to develop specific skills to help a child with behavioral/emotional and developmental needs or problems
- Community Support Program: provides individualized client services to support emotionally disturbed children and their families in community, school, and home settings. Services include: advocacy, skill building, crisis support, mental health symptom monitoring, linkage and referral to services and community resources

**ParentSource Info Line (624-3400)**: provides callers with information about parenting and child development. Assists parents with problem solving around parenting and family issues. Connects callers to a wide range of community resources available for families in the Greater Cincinnati area. Parents can also ask parenting questions by accessing an e-mail address ([parentsource@beechacres.org](mailto:parentsource@beechacres.org)).

**Parent Coaching**: [www.MyParentSource.com](http://www.MyParentSource.com) Coaches assist parents in clarifying their personal parenting goals, provide ongoing support, and identify parenting strengths and successes, as well as the parenting patterns that may be barriers to success to build parenting capability. Equally important, coaches serve as a “listening ear and a sounding board”, providing empathy and a sense of connectedness in the midst of the complex job of parenting.

Milford, Ohio 45150  
Phone: 248-0999 Fax: 248-8171

Contact: Patricia Burke, Executive Director or Anne Combs, Chief Operating Officer

Mission: To promote the positive mental health and well-being of our clients, their families and our Clermont community.

#### Services:

**Recovery Coordination Services:** Rehabilitation services designed with the client to aid them in recovering from the effects of their mental illness. Recovery does not mean cured, rather it means to develop the strengths, skills and community networks to be able to reclaim viable roles in the community. These services can include: case management, advocacy and self advocacy training, linkage to services, daily living skills training, payee services to aid in managing financial obligations, services for youth ages 16-22 to aid in the transition to adulthood.

**Housing and Residential Services (HAP):** Provides rental subsidy to assist low income, homeless and imminent risk of homelessness persons with mental illness and is active with the Role Recovery Coordination Program. The Housing Goal is for the consumers to maintain housing by obtaining Section 8, increased income through employment, public housing, or home ownership. The rental subsidy cannot exceed twenty-four months.

**Work Initiative Network (W.I.N.) Vocational Rehabilitation Services:** Designed to help persons with mental illness or other disabilities or employment barriers reach their full potential in the workplace. Services include: employability exploration, job seeking skills assessment, job placement and coaching, follow along, and skills training.

**Outpatient Mental Health Services:** designed to provide comprehensive counseling to individuals, couples, and families using a variety of payer sources including third party insurance, Medicaid, Medicare, and subsidy scale with United Way funds for those eligible.

#### **Specialty programs include:**

- Sex Offender Treatment Program
- Theft Treatment Program
- Women of Worth Program (for victims of domestic violence)
- Psychiatry and Nursing Services
- Anger Management Treatment Program
- Senior Connections Program (for those 55 years and older)
- M.A.S.T. (Mindfulness, Assertiveness & Social Skills Training)

**Phoenix Place** (located at 4 Cecelia Drive, Amelia, OH 45102): a consumer run clubhouse designed to provide interaction, socialization, and skill building to assist consumers who are isolated with gaining the skills to recover from their mental illness. In addition, the goal is to reduce the stigma associated with mental illness through education and advocacy. A variety of programs are offered at their location.

**FAMILIES CONNECTED, INC.**

2040 U.S. 50  
Batavia, Ohio 45103  
Phone: 732-5034 Fax: 732-0440

Contacts: Brenda Cox, Jean Houston

Services: An organization formed by parents to support families who have a member with disabilities. The goal of Families Connected is to help families become knowledgeable about systems and services which will empower them to make informed choices.

Support and advocacy is provided through:

**Kinship Navigator (DJFS)**—provides support, information, and guidance for families raising other people's children.

**Help Me Grow**—provides family support for families enrolled in the program that have children ages 0-3 years.

**Ohio Coalition for the Education of Children with Disabilities**— includes educational advocacy and support, training opportunities for families and service providers, and resources for families. Support is provided through the age of 21 years in Clermont, Brown, Adams, Clinton, Fayette, Warren, and Highland Counties.

**FAMILY AND CHILDREN FIRST (FCF) COUNCIL**

1088 Wasserman Way, Suite B  
Batavia, Ohio 45103  
Phone: 732-5400 Fax: 732-5414

Contact: Gretchen Behimer, Program Director

Services: FCF is comprised of local public agencies, private agencies, and parent representatives that fund, advocate, and provide services to children and families. FCF works to enhance communication and collaboration between child serving agencies to ensure the appropriate treatment and services for children and their families. The focus of FCF is the multi-need, multi-system child, meaning a child who is involved with two or more systems (i.e. Children’s Services, MRDD, Juvenile Court, Help Me Grow, mental health services, substance abuse services, Head Start, etc). A parent or agency may refer a child to FCF’s Cluster. Cluster is a team meeting that collaboratively works to determine each child’s individual strengths and needs, determine how to access services for those needs, and sets goals for the child and family.
